

GUITAR SUMMIT

press release

Toulouse, 29/08/2022

The Guitar Division at Guitar Summit

From September 9 – 11, the international guitar community will gather in Mannheim (Germany) to celebrate their favorite instruments during GUITAR SUMMIT, a weekend dedicated to guitars and basses.

The Guitar Division, the 1st Marketplace dedicated to the world of guitars and basses will of course be present to showcase the diversity of builders and alternative brands at www.theguitardivision.com

Personal and human relationships are a great privilege these days. The marketplace will take the opportunity to meet the community of guitarists and also discover new builders.

The Guitar Division team will be pleased to welcome you on booth 117 (Electric Stage 2).
